

## Welcome to Lingio!

Thanks for joining – we're thrilled to have you.

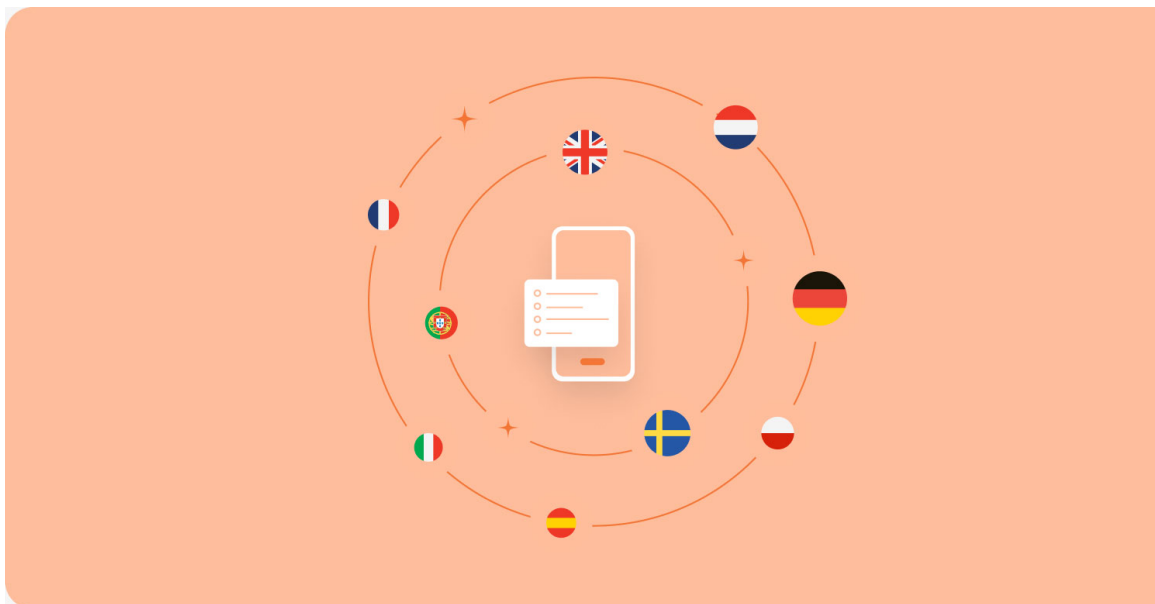

Here's a quick recap on how the AI Course Creator can help enhance your company training and onboarding:

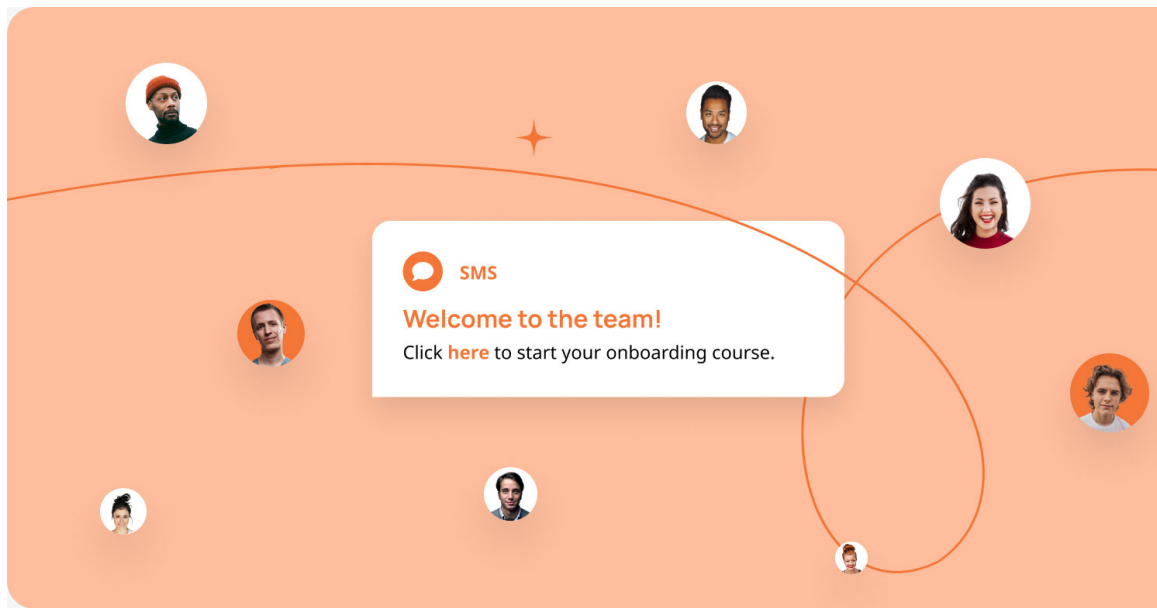

**Create high-quality training courses in seconds**

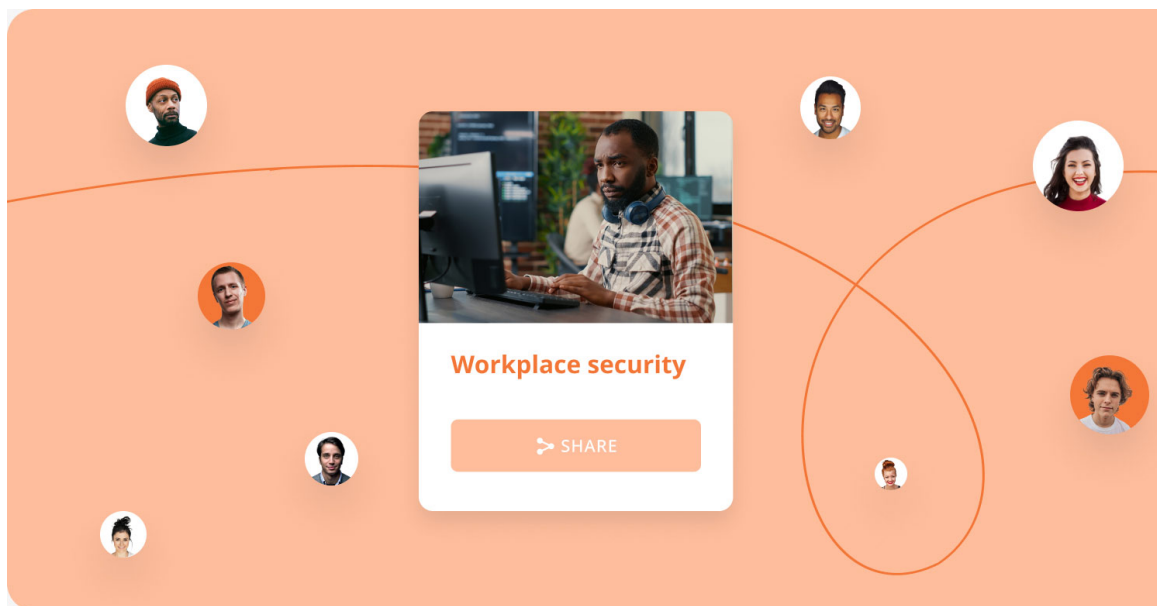

## Translate industry terms in-app to 20+ languages

## Quickly distribute courses at a large scale

## Engage employees to help reduce staff turnover rates and improve retention

### ... and much more

Simply upload your current training documents, and voila! Within a few clicks, your brand-new interactive course is good to go.

## CREATE YOUR FIRST COURSE

all you need is a Word doc, PDF file, or website page to get started
